1948 STANLEY CUP (NHL) Play-Off Finals Ticket Stub (Toronto vs Detroit)

1948 Stanley Cup Play-Off Finals Ticket Stub (Here's a ticket stub from the 1948 NHL Stanley Cup Play-Off Finals between the Toronto Maple Leafs & the Detroit Red Wings. Toronto swept the Series (4) straight to lay claim to the highly coveted Cup. **Ticket stub is taped onto a scrapbook page.** The former patron wrote in period pen above the stub: **April 7, 1948.** Below it is written: **Toronto 7 – Detroit R. Wings – 2 and (Toronto Wins Stanley Cup 4 – 0).** I researched this and discovered that Toronto did indeed beat Detroit 7-2, but not on April 7th. According to my source, the April 7th game was won by Toronto 5-3. Toronto did ultimately win the Cup on April 14th by a margin of 7-2. Seems very plausible that the former patron wrote in the wrong date. In any event, it's a legitimate Stanley Cup Finals ticket stub from Olympia Stadium. **Grade: Good/Vg** due to being taped onto a scrapbook page) **\$ 39.99 + FREE S&H in the USA**
