1963 & 1966 MLB All-Star Game Live Recordings on Cassette Tapes

1963 & 1966 MLB All-Star Game recordings on cassette tapes (Two tapes for each game – total of (4). All (4) tapes are amazingly clear. The recording are for the entire games at Cleveland in '63 and St. Louis in '66. I played all (4) tapes and they really capture the pulse of 1960's MLB AS action. The recorded voice would be of a radio station in Schenectady, NY. Includes pre-game, too. There were a few dead spots on tapes but overall well-preserved on a technological medium that has long since passed. Ex)
