1950's Pittsburgh Pirates Plush Felt Pennant (Luxuriously textured 1950's Pirates felt pennant. Measures approx: 12" x 30" Tip end is complete. (4) tassels are present. All the glazed lettering and graphics are in superb shape. There is a light diagonal line (not overly pronounced) that runs from the top border right through the patch on Buccaneer's Face to the bottom. It's not bad at all and was most likely caused by the way it was stacked years ago. In addition, there is a smaller diagonal, fine line that runs from lower portion of left border to bottom (to immediate left of Knife in Buc's mouth). Once again, it is very light and you may be able to fold it out with some effort. Blue background version. Overall, a beautiful pennant. Ex condition) **\$ 29. 99 + \$ 5. 99 S&H in USA**
